Description

TheArvor 805 Sportsfishis the ultimate blend of hardcore fishing capability and family-friendly comfort. Purpose-built for serious offshore action, this flagship model in the Sportsfish range delivers everything experienced anglers demand — with the protection, performance, and smart layout that also makes it ideal for extended coastal adventures.

At 8.25 metres long with a wide 2.85m beam, the 805 offers a massive cockpit designed for serious fishing. You'll find everything right where you need it — a large live bait tank, multiple rod holders, cutting board, raw water washdown, and deep freeboards for safety and control. The wide walkaround decks and side boarding door provide excellent accessibility, whether you're docking, landing a big catch, or taking a dip.

The enclosed wheelhouse gives full protection from wind, sun, and spray, with 360-degree visibility, dual sliding side doors, and a rear opening to the cockpit. The ergonomic helm is designed for long hours on the water, with ample dash space for dual screens, full instrumentation, and joystick/bow thruster controls if optioned. Paired with up to 350hp of outboard power, the 805 delivers serious offshore performance and a stable, dry ride in demanding conditions.

Below deck, the Arvor 805 proves it's more than just a fishing machine. A spacious forward berth sleeps two adults, with an enclosed head, optional galley, and smart storage making overnighters or weekend escapes comfortable and practical.

Whether you're chasing big pelagics offshore or taking the family for a cruise up the coast, theArvor 805 Sportsfishhas the size, power, and refinement to handle it all — with the toughness and design quality you expect from one of Europe's leading boating brands.
