Suburb	ALEXANDRIA	Engine Make	

### Description

The new Arvor 905 Weekender is our largest, most elegant model yet, built on the cornerstones of safety, comfort, style and power. Suited for ten persons you can take it out to the sea, explore your local rivers or head out to your favourite fishing spots. With the choice of a single or twin outboard engine configuration, you will have the power you need. SAFETY

As a boat designed for inland and offshore fun, the Arvor 905 Weekender has a variety of features designed to keep you and your loved ones safe. Enjoy a 360° view from the cabin and a dual-engine option to gain full control over your surroundings. The extra side sliding door in the cabin, large access from cockpit to bow and walkthrough transom coupled with swim platforms with integrated swim ladder provide safe circulation around the entire boat and water access. COMFORT

Whether you're on the move or relaxing, the 905 Weekender is ready to go. The sliding cockpit bench seat can be converted to a large dining area or to a sun lounge. Can't get enough of the sun? There is a second sun lounge on foredeck. Optional air conditioning and heating is available to maintain the desired temperature. And the boat's large galley with stove and optional microwave and fridge will help you prepare the perfect dinner out on the water. DESIGN

We've designed the Arvor 905 Weekender with a combination of aesthetics, quality and class-leading space to provide lasting value and the look and feel of a much larger boat. The pull-out shower compartment and sea water toilet are tastefully arranged while skylights provide plenty of natural light in the private master stateroom and private aft stateroom. VERSATILITY

Every journey is different. That's why we've made sure that you can reconfigure your set-up to match any occasion. The convertible, four-position dinette uses opposing and fold-away seating that can be changed into a U-lounge for entertaining. It also quickly changes into forward facing seating, or becomes an extra third berth when you're done for the day.
