Boat Details

Price	_____	Boat Brand	Quicksilver
Model	605 Cruiser	Length	8.06
Year	2023	Category	Motor & Power Boats
Hull Style	Single	Hull Type	Fibreglass
Power Type	Power	Stock Number	
Condition	New	State	New South Wales
Suburb	ALEXANDRIA	Engine Make	

Description

TheQuicksilver 605 Cruiserhas gotten longer and wider compared to its predecessor, but it’s still our most compact cruiser. The redesign gives you a bigger, more streamlined boat. Your increased comfort is coupled with longer cruising, thanks to the biggest fuel tank in this category.

KEY FEATURES

1. Versatile cockpit area suitable for dining and for sunbathing with easy deployable sun lounge

2. Anchor storage and step-out area via the bow

3. Cabin with seating area that is convertible to a double berth

4. Large swim platforms and motor well step for easy access to both sides of transom

5. Single engine configuration up to max 150 HP

6. Wide steps to access deck

SAFETY

A bigger boat is often a safer boat. Access the 605 Cruiser via a defined step-in/ step-out area, and the large swim platform ensures easy access into the water and back onto the deck. The high foredeck railing and the deep cockpit allow everyone to move around in all safety during family cruises, even for over-active kids.

COMFORT

As the boat’s captain, enjoy a swivel seat now mounted on a polyester pedestal base for improved comfort with the co-polit looking straight at cleverly placed steps to the foredeck. This unique design allows for a cabin door in the middle. The semitransparent door, an opening portlight and a deck hatch let light and air into the cabin. That functions as a double berth to fit 2 people.

VERSATILITY

Up to 6 people find at least as many ways to spend time on the 605 Cruiser. The foredeck converts into a large sun lounge with a central backrest cushion. At the back, blue skies ask for the optional second sun lounge to be deployed. In case of grey clouds, however, a Bimini is deployed just as fast. Or shelter in the cabin that doubles as a U-shaped seating area and a berth for 2.

STORAGE

Your personal belongings stay dry in storage spaces underneath the swim platform and below the aft seating. A third storage space is integrated under the seating area of the cabin. Of course, the fenders and optional features such as an enclosure or a dining table all have their own spaces just as well.

Features

Hull Construction Material	Fibreglass
Hull Type	Single
Length (m)	6.00
Length Waterline (m)	5.76
Beam/Width (m)	2.34
Draft (m)	0.48 with max engine
