

Boat Details

Price		Boat Brand	Quicksilver
Model	675 Cruiser	Length	8.06
Year	2023	Category	Motor & Power Boats
Hull Style	Single	Hull Type	Fibreglass
Power Type	Power	Stock Number	
Condition	New	State	New South Wales
Suburb	ALEXANDRIA	Engine Make	

Description

TheQuicksilver 675 Cruisercombines a sleek design with a sporty set-up and smart use of space. That makes it hard to tell who will have the most fun: you as the captain or the friends and family you bring along? There’s room for up to seven people who love to cruise and soak up the sun.

SAFETY

A clearly defined step-out area tells all passengers where to enter and exit the boat. This allows you to get in the boat in a fast and secure manner. Once on board, there’s easy walking access from bow to stern. And if you want to go for a swim, the large swim platform is the way to go. An ergonomic helm station and a deep cockpit make sure captain, crew and kids are safe at all times.

COMFORT

Large portside steps give easy access to the foredeck. This unique deck layout frees up space in the centre of the boat. And that is where you’ll find a semi-transparent door. Slide it open to enter the U-shaped cabin that converts into a comfortable double berth. Ample light and ventilation are provided through the translucent cabin door, an opening portlight and a deck hatch. Back outside, the helm can be equipped with SmartCraft instrumentation and, a high tech 9-inch GPS.

VERSATILITY

Most of the action on the Activ 675 Cruiser happens in the cockpit area. The double, bi-directional co-pilot seat makes it possible remain face forward when cruising or extend the social are to spend time together. Over dinner, for example. And if you add the starboard flip seat to your boat configuration, even more people gather around the cockpit table. The cockpit can be turned into a sun lounge within minutes. And, if you put the aft seat down that sun lounge becomes even bigger.

STORAGE

Storage space is integrated below the swim platform and underneath the cockpit seats. All of that space is available to store away personal belongings. The fenders, and even the optional canvas all have their own dedicated storage space. Of course, you’ll find even more storage room in the cabin.

Features

Hull Construction Material	Fibreglass
Hull Type	Single
Length (m)	6.40
Length Waterline (m)	6.20
Beam/Width (m)	2.46
Draft (m)	0.49 with max engine
Dry Weight (kgs)	1473kg with max engine
Number of Helms	1
Engine Notes	Up to 225hp
Number Of Engines	One
Engine Standard	Mercury
Stroke	Four
